Mr.J.Shapiro, a grade "O" clerk at Nazareth, has applied to be transferred to Nathanya. The application is recommended by the Assistant District Commissioner, Galilee.

The reasons given for the desired transfer are that Mr. Shapiro has been unable to keep his family at Nazareth since the present disturbances began and that this has involved him in much additional expense and great personal inconvenience.

Assistant District Commissioner,

Subject:- Clerk at Nathanya

Mr. J. Shapiro, a grade "O" clerk at Nazareth, has applied to be transferred to Nathanya. The application is recommended by the Assistant District Commissioner, Galilee.

2. The annual reports state that Mr. Shapiro is an excellent clerk and a good typist and that his work is thoroughly satisfactory. The reasons given for the desired transfer are that Mr. Shapiro has been unable to keep his family at Nazareth since the present disturbances began and that this has involved him in much additional expense and great personal inconvenience.

3. I should be glad to have your observations and recommendations.

Sir,

I respectfully beg to submit the following request for favour of your kind consideration.

I was instructed and my family to proceed at once to Nañhanya owing to the sudden disturbances which occurred in the country.

Nathanya is very expensive place besides I have all my furniture and kitchen utensils at Tulkarem and am unable to pay such a high rates for food and lodgment at Nahtnayah.

I shall therefore be much obliged to if you kindly consider my situation and that of my family by granting me special allowances for cost of living and for excessive house allowance.

With high respects.

I have the honour to be,

Sir,

Your obedient servant.

favour of your kind consideration.

Eversince my tranfer to Tulkarem I have
always passed and am still suffering a very bitter life
here for the following reasons :-

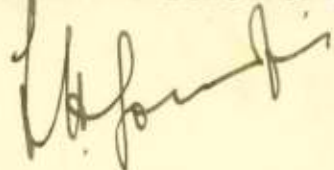

I am religious man should live on Kasher Food
only and attend the morning and evening prayers while no
Kasher food nor Jewish synagogue exist in this place.

arrange for my transfer to a Jewish place where I and
my wife who is sharing this hard life with me to live

It is the second time that you fail to call at this office to obtain a medical report in order that you may be allowed to be excused duty, if you are actually sick, if this system is inconvenient to you because you dwell at Nethanya, a report from a private practitioner is required in all cases, otherwise, I consider your absence from the office as absence without an authority, so I hereby warn you for the last occasion to always see that Govt. regulations are complied with.

Further: - To my letter of even number dated
4.7.34.

I beg to point out that the above named officer was discharged from Nablus Govt. Hospital on 18.7.34, and was granted 10 days sick leave which period expires on 27.7.34.

2. It appears to me that this clerk is very slack, as he is not inclined and not even willing to perform any work out of which the Government can derive any benefit of his services, as since the day of his arrival at Tulkarm the first thing he attempted to do is to seek for sick days leave, and he was successful in his plan, as it is obviously clear that a month has been spent by him at Hospital and on sick leave.

3. As I quite realize that this clerk is rather quite hopeless, so I shall be much obliged if arrangements may be made for his transfer from Tulkarm and he may be replaced with an efficient clerk who will actually share apart of the accumulated work which has to be performed by this office staff.

Tulkarem, 2nd July, 1934.

District Officer,
Tulkarem.

Sir,

I respectfully beg to submit the following application for favour of your kind consideration.

I have^{been}/instructed by the Acting District Commissioner to report to you for duty but on my arrival here yesterday and after a careful study I did not find it possible for me to live at Tulkarem.

I have been suffering for the past two years from stomach trouble (i.e. duodonal Cape and the Ulcer) and it is lately that I have a bit improved and this continual improvement depends on being treated on special diet which to my great regret is not available at Tulkarem.

I was made to understand that several jewish employees reside at Tulkarem and I was under the impression that I can easily be accommodated by any of them perhaps I may be able to have the diet which the doctors have instructed me to have but I found that only two ~~families~~ jewish families exist here who are unable to accommodate me.

It is obviously clear under the aforesaid circumstances that it is quite impossible for me to remain at Tulkarem and to stop here under such heavy measures means a menace to my health and life, so I Shall be much obliged if my request may with sympathy be considered by making arrangements to transfer me to any jewish settlement where I may be able to have special diet and thanks in anticipation.

I beg to remain

Your obedient servant.

With reference to Mr. Gourdgi's letter, dated the 8th June, 1934, explaining his recent departure on sick leave without first obtaining approval you should inform him that the explanation furnished by him is not wholly satisfactory.

2. This officer appears to lack the elementary requirements of a Government Officer, namely knowledge of the Regulations governing his service. He should therefore, be warned that any future absence from duty in a manner similar to the recent one will render him liable to the forfeiture of his appointment.
